

TABLE OF CONTENTS – DIPPING INTO CREEKS

Adopt-A-Creek

Getting Ready In The Classroom . . .	1
At The Creek	2
Following Up	3
Planning For Action	4
Creek Data Sheets	5,6

Mini-Activities

Let's Do A Show	7
A Bird In The Hand	7
Fold A Frog!	8
Where Are You Going?	8
Which Watershed	9
Rain and Runoff	10
Looking At A Watershed	10
Can You Solve My Problem?	11
Draw On Your Memories	11
Illustrate A Map	12
Designing Students.	12
Bingo	13
Is There An Animal In The Creek? .	13
Endless Chain	13
Make A List Of	14
Password	14
Formula Poem	14
Life On A Watery Planet	14
Aquatic Adaptations	15
Tangrams	15
Anagrams	15
Build A Sentence	15
Alphabet Hunt	16
Nature Detectives	16
Meet Somebody New	16
House Hunting	16
Picture That	17
Paper Art	17
Treasure Hunt	17
Story Pole	18
Who's Who In The Creek	18
Aquatic Bingo	19

Dipping Into Aquatic Sciences

Habitats and Inhabitants . . .	21
Critter Count Scavenger Hunt	21
“Who Lives Here?”	22
“What Is it?”	23
Dip Into A Creek	24
Checking The Action	25
“Changing Times?”	26
“Dinner Time!	27
Water Cycles	28
“Riding The Water Cycle”	28
Water Ways	29
“Urban Runoff”	30

Summing Up Creeks

What Have You Learned?	31
Creek Or Houses?	32

Classroom Water Quality Stations

What About Water?	37
Watershed Runoff	37
Creek Habitat Webbing	39
Waterway Erosion	45
Wetland Purifiers	47
Nature's Plant Purifiers	48
Water Quality	49

Appendix

Let Creek Studies Bring Your Science Lesson To Life	55
Dipping Into Creeks – Glossary . .	57
Dipping Into Creeks – Resources .	60
Simple Equipment	65
